

WELCOME NEWCOMERS!

If this is the first time you have attended the Traditional Latin Mass, you may have noticed that our parishioners do not dress casually in the church. Since the changes in the Church, few parishes have any kind of dress code. Here, however, we still believe that modesty and appropriate attire are necessary, especially in Church out of reverence for the Blessed Sacrament. Please observe these minimum standards of dress for attendance at Church services:

- Women and girls must cover their heads. Chapel veils or mantillas are available for loan in the vestibule. They should also wear dresses or skirts that cover the knee completely when standing or sitting; slacks, shorts, sleeveless, tight, or low-cut clothing are not permitted.
- Men and boys should wear a suit coat and tie.
- Jeans and other casual attire are inappropriate for attendance at Church services.
- Also, unless you have been attending the Latin Mass exclusively, you should refrain from receiving Holy Communion until you have had an opportunity to meet with Father.

We are always happy to see new faces at Mary Immaculate Queen Church and we look forward to seeing you again.

BLESSED MARTIN DE PORRES

Bl. Martin de Porres was born in Lima, Peru on December 9, 1579. Martin was the illegitimate son to a Spanish gentleman and a freed slave from Panama, of African or possibly Native American descent. After two years in primary school, Martin was placed with a barber/surgeon where he would learn to cut hair and the medical arts.

In Peru, by law, all descendants of African or Indians were not allowed to become full members of religious orders. Martin asked Dominicans of Holy Rosary Priory in Lima to accept him as a volunteer. When Martin was 15, he asked for admission into the Dominican Convent of the Rosary and was received as a servant boy and eventually was moved up to the church officer in charge of distributing money to deserving poor.

During his time in the Convent, Martin took on his old trades of barbering and healing. After eight years, Martin was granted the privilege to take his vows as a member of the Third Order by the prior Juan de Lorenzana who decided to disregard the law restricting Martin based on race.

Martin became a Dominican lay brother in 1603. Ten years later Martin was assigned to the infirmary where he remained in charge until his death. He became known for the virtues needed to care for the sick. Martin was praised for his unconditional care of all people, regardless of race or wealth. He took care of everyone from the Spanish nobles to the African slaves. Martin didn't care if the person was diseased or dirty, he would welcome them into his own home.

Martin had many extraordinary abilities, including aerial flights, bilocation, instant cures, miraculous knowledge, spiritual knowledge, and an excellent relationship with animals. Martin also founded an orphanage for abandoned children and slaves.

He is patron saint of people of mixed race, innkeepers, barbers, public health workers and more. His feast day is November 3.
